

# 第34回日本介護福祉学会大会

A large watercolor illustration in the center of the poster depicts a circular flow of care. At the top, a caregiver pushes a person in a wheelchair, while another caregiver assists an elderly woman with a cane. To the right, a caregiver kneels to help a child with an IV drip. At the bottom, a caregiver holds the hand of an elderly man, and another caregiver holds the hand of a woman. The scene is surrounded by decorative elements like cherry blossoms, paper cranes, and a traditional Japanese wave pattern.
